

Week 11 Meeting Minutes

COSC426 – Chick Counting Group

Monday 11/17

Group presentation

Tuesday 11/18

The team met with Dr. Wang. During the meeting we discussed all current progress. We then started to discuss whether to bring all the individual group members' contributions together into one solution or propose all the solutions individually. As well as the possibility of presenting at Posters on the Bay.

Wednesday 11/19

Discussed the possibility of presenting at Posters on the Bay in more detail and agreed to submit an abstract.
